General Report Comments: Inspector Warren and I arrived at the property the owner's brother, Thoza invited us into the house after we explained our reason for our visit. A 5-year-old, female, tan and white, Pitbull named 'Marsha' was found on the property in a separated (roofed) section of the yard. The dog appeared to be in acceptable physical condition. There were water and an asbestos kennel but shelter was not accessible for the dog. He said that the kennel is pieced together and cannot be carried and fit it through the separating gate. We issued him with a written warning to make a proper shelter accessible for the dog within 7 days.
