General Report Comments: Upon arrival at the property, the exact address is 109A Hunter Street, Bellevue, I met a young gentleman named Sibusiso who opened for me. He said the dogs belong to his father. There were 3 dogs (as detailed) which appeared to be in acceptable physical condition. Water was not available and he was educated about providing accessible potable water. I issued him with written warning to make sure that the above-mentioned provision is made necessary. I offered to get the dogs sterilized but he said he be speaking to his father about it and get back to me. To follow up with them on the day of out Outreach Sterilization
