General Report Comments: The dog, Lienke was still on shift found on site. The dog appeared to be in acceptable physical condition. Water container was a bit dirty with an algae building up. Pigeon feathers and food debris were under the pallet and the guard on duty, Mrs Hlatshwayo informed me that the dog caught and killed a pigeon. I advised her to clear old food to avoid flies such incidents. For the above mentioned concerns I issued her with a written warning. A valid and proper PAPA license was presented to me. To carry out routine inspections
