Comments:	No one responded including any dog on the property when I was at the gate hooting. A next door neighbour came at their gate out of interest after seeing me. His name was Julian who said that the family renting the house no longer stays on property and he haven't seen the dog being outside lately. I told him I will a warning note for the dog/property owners to contact me within 24 hours. I couldn't hear or see any dog to follow up in 24 hours
