Inspector:	GODFREY MNGUNI
Type:	COLLECTION - ANIMAL COLLECTED
Follow-Up Date:	
Comments:	No one who can help was at property. I phoned several times the caller but went to voicemail. I left a voice message. There was a lady hired to sweep the leaves who said that she doesn't know about the puppies but the 2 security guards went out patrols. I left her my business card to contact me when they are back as I'll be in the area for a while. No one phoned back throughout the day
