Comments:	I met the complainant, young Mr Tyrique Bohali and his father who only spotted the dogs last night but couldn't keep them around until our arrival. He mentioned that this was his first encounter with the dogs. I still advised him that if ever see them again to call us immediately on our emergency helpline(given to him) so we can help such animals effectively. Alternatively, invite the dogs in his yard or house if he ever gets another chance to do so. I drove around the block hoping to spot the dogs but had no luck. Dogs were found.
