Comments:	Because we've always had the owner's details on our records, I phoned the owner Mrs Ziva Marcinhes who told me that she was still staying at the property in question. I asked her if I could come to see the Emu today but she said rather I come tomorrow because her son is not home and she was not comfortable for me to come to the house for safety reasons. We arranged for me to come to the house tomorrow. To follow up the next day
