Comments:	I was phoned by the owner, Mr Max Moyo in response to my Warning Note who said that the dogs were only causing the disturbance because the bitch was on heat. He said that he owns only 3 dogs which are; 2 males and a female. I told him that I was not able to get access but he told his wife not to allow anyone on the property also assuring me that the dogs were all okay. I told him I still needed to see their living condition. He made an appointment to meet me on Sunday to check on the dogs. To meet the owner on the 9th July 2023
