General Report Comments: The owner was not home at the time of my arrival. I could still see the dog in a fair body condition score but I couldn't see the rest of the dog's living conditions. There were minors on the property who said they were his children but as I was still at the gate a gentleman by the name Ale Bizabusheka passing by who usually works for the owner was curious started to talk to me and he said he knew the owner and gave me his contacts. I was not able to get a hold of the owner, Mr. Wale Jegede but I left him a voice message to call me back. I issued a written warning to the owner and Mr. Bizabusheka signed and accepted the warning on his behalf. To follow up
