CHECKLISTS

General Report Comments: Arrived at the property which was vacant and belongs to The Cavaliers Group , I was attended to by the security guard on duty working for SSG Security, Mr Mthokozisi Mchunu who said that there hadn't been any security dog for over a year due to the lack of use for the dog on this property. The dog was supplied by Canine Security Solutions whose contract with SSG security had been canceled for over a year now. The whole building had been vacant since 2015 and they ended seeing no use for the dog to be on guard as well, according to Mr Mchunu. There were no animals found used for safeguarding/security at this premises. Case finalized.
