General Report Comments: When I arrived at the property there was no one responded at the gate. There were 2 dogs on the property (as detailed under animals). They both had a green igloo kennel and there was a dog bowl but I was not sure if there was water in it. The dogs appeared to be in an acceptable physical condition. While I was at the gate, an owner's neighbour named Sheldon, saw me at the gate asked if there was a problem at the property. When I told him about the complaint he vouched for them saying the claims are not true as they are a decent family that takes a good care of the dogs. He contacted the owner, Monica who said she was shocked to hear the allegations saying they were not home at that time coming back home at 17:00 later. We made an appointment to meet with her husband at 11:00 the next day 9/01/2023. To come back tomorrow
