General Report Comments: No one responded at the property when I hooted. I could see one dog in the driveway running loose with a collar that appeared to be in acceptable physical condition. The Pitbull was no longer on a chain when I arrived at the property. I tried calling the owner's daughter, Natasha but she was unreachable. The dogs were said to be chained only because there were construction workers on the property at work. To phone the complainant to be our eyes and ears.
