General Report Comments: Upon arrival one dog was found in the property. Charity told that she is a tenant and the dog was left by another tenant last year and asked her to look after it. She told me that they don't have any other dogs in the property. The dog found in the property is a xbreed male. The dog did not have any wounds or scars. It is not a pitbull. No chains or ropes were found in the property. The dog is different from the dogs in the pictures which the complainant sent. The front or the back garden is also different. I asked about Zaid and she said Zaid is his son and called him and Zaid told me that he got a WhatsApp message with those pictures and they told him they are selling some Pitbull puppies 2 of them and it had a father chained and he sent the pictures to his friends if they wanted them the dogs he was going to contact them and they were going to meet at the park. He said he does not know where the guy lives. Zaid told that he was not going to buy the puppies because his mother does not like pitbulls and they are renting. I tried contacting the number but it went to voicemail. The following day again the number went to voicemail. According to Zaid the guy told him if he has money they will meet at a park in Malvern or Bezuidenhout Valley. The guy The phone number is 079 674 1073.
