General Report Comments: Upon arrival I found Samukelisiwe Nhlabathi who told she is Natasha's sister and she house sit the cat when the owner is on holiday. She is the one who contacted Natasha and told her that she found an SPCA letter by the door. The cat was observed and it appeared to be in good condition. It had food, water and shelter. Samukelisiwe contacted Natasha through WhatsApp and she told me that if the cat is sick she request an Uber and takes it to the veterinary. She has never left her cat alone for a day.
