General Report Comments: No one home when I arrived at the property. I was able to see the dogs(2) kept in the front yard and they were in a satisfactory physical condition none of 2 dogs appeared to be 'skinny'. There were bowls placed along the wall but I couldn't see any of their contents from the gate. Movable shelter for the dogs was also not seen but there was a covered porch and car port but were unclear whether they serve as shelter or not. I left a written Warning note for the owner to call me within 24 hours regarding this matter. To follow up in 24 hours
