General Report Comments: Upon arrival the owner of the dog told me that he was walking his dogs and one dog came out of the leash by mistake and it attached the other dog. I had to educate the owner that he is not allowed to walk 2 strong dogs at the same time he needs to find someone who will help him. The area were the dogs were kept was dirty the feaces were not picked. I had to give the owner a warning.

ACTIONS

Warning Issued VX
