General Report Comments: Upon arrival the one cat appeared to be in good condition and the other was overweight. I had to educate Lee Anne that they need to monitor the amount of food which they give to the cat . I spoke to Lee Anne and Mr James Brian Bowes the father of James Grierson Bowes who passed away that the cats were adopted from Sandton SPCA and they can not take them to another place without the SPCA knowing since they wanted Lisa Cohn to adopt them . We contacted Lisa Cohn and she agreed to adopt them and the SPCA will have to do the inspection before she collects the cats .
