Inspector:	GODFREY MNGUNI
Type:	GENERAL
Follow-Up Date:	
Comments:	On arrival at the location, I found no one walking with a dog. I asked a gentleman named Silas who was a street beggar at the crossroad, who said that he usually hangs out with the guy in question but he not selling the dog but always walking the dog for his boss. He strongly said that he would never sell the dogs because he is hired as a help at one house in the area. Matter finalized. The allegations were unsubstantiated.
