Follow-Up Date:	
Comments:	i went to the Sandton SAPS and wanted to open a case of assault and obstruction of an authorized officer but we were told that I needed to fill out a J88 form indicating any visible bodily harm before proceeding with a case bu there were visible injuries. We did not bother pursuing a case, so we left the station and went to the premises, 74 Bessemer Road, Wendywood. We did not find the owner but spoke to the helpers through the gate who said the owner was unavailable at the house as he does not even stay there. We left a warning note WG 0731
