General Report Comments: When I got to the gate of the property I saw the dogs(2) free-roaming in the yard and spoke to the domestic worker through the gate. She called the owner and the security guard to escort us into the house. They own 2 dogs that I in acceptable condition, and shelter and water were also provided. I asked the domestic worker if there was ever any case of the dogs or one of the dogs being confined in a small place but she denied all the claims. She strongly believed that I had the wrong address. To phone the complainant and find out about the correct address

Later on at '13:02, I phone the complainant to find out the address but she told that it was her husband who witnessed the incident and I ask they take pics or videos of the incident. She said she will do so

ACTIONS

OTHER To phone the complainant about the correct address
