CHECKLISTS

General Report Comments: Upon arrival no dog was found in the property. Promise told me that the dog had been sold and the person who bought the dog took it to Zimbabwe but he does not know the place. I contacted the owner Prince Gatsheni and he also told me that he does not know where the person stays. The reason for selling the dog is because some tenants kids are afraid of the dog. I had to educate them that they need to bring the animals to SPCA and the SPCA will find good homes
