General Report Comments: I found workers doing minor renovations on the property and asked them to show me the dog. I found a 9-month-old, male, brown and white, American Pitbull being kept under an outdoor stair storage deck. The dog had a pink dog belted collar and dragging a chain leash. He was not able to access water even when placed outside the storage. The dog was physically in acceptable condition. The workers told me that the puppy belonged to the house owner who insisted that they give me his phone number to call him. I phoned the owner, Mr Wilson Mwanku, to tell him about my findings on the property and he stated they just got the puppy from someone a few days ago and the puppy belongs to one of the workers but I was welcome to take the dog. The puppy was surrendered to me signed over by one of the workers and I educated them about the care of dogs. Matter finalized
