CHECKLISTS

General Report Comments: 3 days back I did not receive any call about a cat stuck in a sewage. Today when I went to do the inspection Cameron gave access to the property. The cat which is inside the drain belongs to her. The cat is not stuck it went and hide in a drain because it is not used to them. On my arrival I did not see any cat. I had to put a cat trap into the drain so that it will be caught. I asked the owner to keep on checking it after every 30minutes.b
