VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Caged - adequate space Pet shop

General Report Comments: Upon arrival the animals appeared to be in good condition. I spoke to the manager and he told me that they tell the customer not to play with rabbits when not under supervision of the staff but they do . I had to educate him that they need to put a banner which state that customers are not allowed to to touch animals when not on supervision. The space for chameleons is acceptable even though the SPCA laws we are opposed to animals caged.
