General Report Comments: Upon arrival the property were roaming freely in a property that is not adequately fenced they don't have the gate. The neighbours told me that the owner went to the rural areas last year and they have been looking after the dogs now its going to be too much for them because it will be 15 dogs. They only want one dog which is sterilised to be left at the property and they will take care of it . I had to take all the puppies and 3 adult dogs to the Sandton SPCA. Told the neighbours that if the owners need the dogs they need to come to the Sandton SPCA.

ACTIONS

OTHER Dogs taken to the Sandton SPCA for safe keeping.
