General Report Comments: I attended the complaint & I met with a gentleman by the name Judd Aron walking his dog Apollo American Bully 6 years Blue next to the corner of Main road and Sangster road in Magaliessig .The dog appeared to be in good physical condition.
The owner informed me that he stays in an informal settlement he was reluctant to show me where he lives. He indicated that he does take his dog for walk regularly. He had a bottle of water and an umbrella to protect his dog from the sun when it's too hot when walking his dog . Apollo does have access to clean water. He appears to be in good physical condition. According to my observation Judd Aron appeared to be street beggar in the surrounding area . I still have to establish his shack where he resides with Apollo.
