ANIMALS IN GOOD CONDITION	No ***	Underweight
VETERINARY PROBLEMS / HEALTH CO	Yes ***	Underweight
CONFINEMENT OF ANIMALS	Free roaming - in property	

General Report Comments: The adult mom dog appeared to be in a fair condition but the puppies were underweight. The owner told me that they do eat but they keep on losing weight. I asked him if they have been vaccinated and dewormed and he said he hasn't done that. I had to educate him regarding vaccinating and sterilising his dogs and he decided to surrender the puppies and sterilise the mom dog.
