ADEQUATE SPACE AVAILABLE	No ***	Confined in a small place but they have a big garden at the back

General Report Comments: The dogs were found kept in an alleyway which is approximately 5 metres by 2metres. The reason for keeping the dogs was that they thought the landlord will complain about the dog. I spoke to the landlord and she said its for them to keep the dogs at the backyard not to confine them at the alleyway. The owner of the dogs need to fix the gate so that the dogs wont go to the front yard because they will run away when opening the gate to the busy street in front of their gate and get knocked over by cars.
