General Report Comments: Outside the property, there was a wrecked vehicle parking on Barkly Street that I found Mr Nkomo sitting and the dogs(2) left outside with a dirty blanket. and no water provided. He stated that they got evicted from the house after the the owner was discovered to be occupying the house unlawfully. He claimed the dogs belonged to his so-called landlord and owner of the house. I asked for the owner's details("MaMkhize" as she popuarly known) but she was unreachable over the phone. I persuaded him to surrender the dogs to the SPCA given his difficult situation . He did so willingly. Both dogs were surrendered to the Sandton SPCA
