General Report Comments: I was tended by one of the tenants on the the property by the name Candice. She stated that the dog and the house does not belong to her and the owner was not there. I asked for the owner's contact details and I phoned the owner, Charles. I informed him of the seriousness of the dog's condition where I found the dog with what appeared to be mummy growth(tumour). I've highlighted that the dog have reached its end of life and we both agreed over the phone. He spoke to his tenant, Candice to sign on his behalf. The dog was signed over to the Sandton SPCA as a Request for Euthanasia. Rusty was humanely put down.
