General Report Comments: The owner did not comply with the warning. He did not contact me. I saw the dog again it appeared to be starving and I had to give it some food and it ate very fast because of the starvation. I asked one who was passing and he told me that the person who lives in the property is an Uber driver. He does not know at what time he comes. I had to leave a warning for the owner to give his dog food, provide it with water and take it to the vet for check up.
