CHECKLISTS

General Report Comments: I was informed by Mr Sipho Shekwalala they did not throw fireworks on the dog & I further asked the children myself if they had thrown fireworks on the dog. I was informed by them they did not throw fireworks on the dog.
I called the children around the neighborhood and I did education talk that they must not throw fireworks on animals and explained to them it's cruelty to animals. They must report currently cases to the Sandton SPCA & I provided the contact details. There no evidence that shows which person through the firework on the dog. I check the dog & appear to be in good physical condition, food, water & shelter is provided for the dog. I informed the owner to keep their dog inside the house specially on the 31st& 1st new year & must come to the Sandton SPCA buy bills to calm his nervous down.
