CHECKLISTS

General Report Comments: With the information I had, I went to the address provided where I found an established housing complex called Le Grand Bernard but had no unit number and access to enter. I then contacted the person of interest, who identified himself as Mr Cowen. He stated openly that he's only brokering for reptiles owners and does not keep any reptiles with him but he has a delivery/transporting partner and never used the CourierGuy, such as AirPets. I was still insistent on coming to inspect his living place. He was willing to provide his address, #15, Segovia, 26 Logan Avenue, Bryanston which then fell into the Randburg SPCA jurisdiction. Emailed the Randburg SPCA awaiting feedback
