Comments:	I met the EMI's from the GDARD, Mr Eric Netshampofu and Mr Mandla Tshabalala, and I gave them the context of the complaint. Both realised that it was a case of redeveloping an artificial natural feature in a complex, which required another unit in their department, and they referred me to the relevant unit. I then contacted the person, Mrs Tondani Tshikolomo, who agreed to meet at the Abbington Complex on October 2, 2025. An email invitation was sent to both the Estate manager and Mrs Tshikolomo . Awaiting their response and meeting scheduled on the 2nd of October
