General Report Comments: Upon my arrival to follow-up on the matter, I was given an unpleasant attitude by Mrs Karin Rossouw's husband yelling at me to get off his property. Mrs Rossouw still invited me insied anyway whlle trying to calm him down. She still hadn't complied with my previous warning even though it was 3 weeks later. The house was still dirty and untidy while she insisted on only showing me her progress where she somewhat cleaned but not to the extent of satisfaction for me or to the suitability of keeping so many cats. At least 10 cats where spotted on this day including a juvenile cat that was found underweight with a rough coat but I was negated when I brought this up with the excuse that I mentioned a similar issue in the previous warnnig about another but it was medically cleared at the vet. She was issued another final written warning to rectify her actions and I will be meeting her on the 4th of September 2025
