CHECKLISTS

General Report Comments: Upon arrival I was not able to gain access because there were 2 minor boys and they are not allowed to give access the property. I had to phone the owner of the property and he told me he is out of the country and he will be back on Monday 13 January 2026. He told me his dogs are at the back of the property. The tenants look after them. They are not caged. To do a follow up and check the living conditions of the animals
