CONFINEMENT OF ANIMALS	Caged - adequate space	Gardener is scared of the dog when cutting grass the dog bark

General Report Comments: The dog was found confined in an alleyway which is approximately 6 metres by 4 metres the reason is because the dog wants to attack the gardener when cutting grass. He agreed that he was chaining the dog and the complainant approached and she complied. I had to educate her that it's much better to confine it rather to chain it. The dog was in a good condition.
