General Report Comments: One dog was found in the property. The dog appered to be in good condition. The space wetre the dog is kept is big enough which for the dog to be kept. Thed dog has a built in shelter next to the braai stand and also have a bed kept by the patio. The owner and the gardener told me the gardener walks the dog 4 times a week. Donny comes once a month and take the dog to the farm. The reason he brought his dog to his parent"s property its becauseThe dog at the boarding facility was getting stressed because the kennels are small . He will take the dog to his property when he is finished building .
