General Report Comments: The dogs were at the back in a sheltered area.  
There is a gate at the back owner said he opens it for dogs to have option to go in the front or stay at the back.  
Front doesnt have shelter but back area has got shelter veranda which rain or sun doesnt affect the dogs if they are at the back  
I went on a rainy day and the 2 dogs were not out in the rain  
Owner came to the spca to buy more blankets for the dogs as the weather was cold and raining over the weekend.  
  
Owner refused to sterilise the dogs
