General Report Comments: The 2 pitbulls were in a small enclosure about 2,5 metres by 3 metres.
Water was dirty
Roof shelter was not long inadequate to prevent any rain getting inside the cage
The other Xbreed was separated on its own.
Its a factory where they deal with wooden materials and construction materials hence the place was very dirty not suitable to keep any animal.

Warning was issued for owner to move all 3 dogs to an acceptable living place within 3 days.
