General Report Comments: We entered the property with a warrant after the owner was not opening the gate for us .
Owner agreed that his 4 dogs namely Chino, Luna, Roscoe, and Bambam were not fed for 2 weeks and were starving which led to death of Roscoe and Bambam which got killed when the 4 dogs started to fight.

Luna was very emaciated according to Dr Nick Bangay after he and inspector Kerrie Andrews examined the dog.
Mr Naicker said he had appointment at St Johns Vet at 4:00pm same day and he took Luna to the Vet while we were there.
Vet report was sent to kloof spca by St Johns Vet.

We asked the owner for the 2 dead bodies, Roscoe and Bambam, owner said he had buried them at one of his work premises.
We then told him that he needs to bring the dead bodies to usso that our Vet can do an autops on the dogs.

He did agree and 2 of his staff members brought the dead bodies to us and Mr Naicker sined the the dead bodies over to the spca admission forms.
We brought the dead bodies to spca for autopsy .

Warning was issued for the owner to also provide tick and flea treatment for his dogs
And that he allowed pain and suffering to his dogs and we will prosecute him .

Chino the male Pitbull-X was moved from cages to 2a Audley place in a fenced over enclosure about 20 metres long by 10 metres, there was shelter inside and water.

A case of animal cruelty was opened against the owner and its in Pinetown court for decision making.
