General Report Comments: There is 2 dogs on the property.
Both dogs are in acceptable condition.
The Rottweiler is on a static chain about 8 metres long.
Owner said he jumps out the property and fight with other stray dogs on the road, previously he was injured and recieved Vet treatment.
The other tan male dog was sterilised at spca and he is not chained up.
Owner said because he doesnt jump out of the property.
He said he is working on fixing his fencing but indicated that it will take a while.
I advised him to unchain the dog if he is at home to monitor the dog roaming free inside the property.
