General Report Comments: There is only 7 dogs on the property.
6 adults and one puppy.
I advised the owner to sterilise the dogs so that there wont be any breeding on the property and to avoid having too many dogs on the property.
The owner uses Blair Atholl Vet and he said he will contact his Vet regarding sterilisation for the dogs.
2 dogs get kept in the enclosure as the owner says they are vicious, he has clients coming in and out of the property all the time for work and they fight with the other dogs too.
No more injured dogs on the property.
