General Report Comments: There was noone in the property.
Both dogs were free.
I called the owner,the owner said he doesn't chain his dogs and also they don't jump to the neighbour's property.
He said the complainant must show the proof.
Then we went and spoke with complainant and told to take the evidence because the owner was denying the fact that the dogs jump over the fence.
This man is a lawyer ,his property is fully fenced 1,8m precast and he got cameras everywhere.
You cannot see anything we'll if you are outside the property.
If you are hooting at the gate he can see you and quickly go and release the dogs.
