General Report Comments: Petra and I went to the property.
Owner was busy clining .the cats stays inside and sometimes let out .some of them were running around in the house and some of them were outside.
There were many litter trays .
There were no sick cats.
Owner said she uses Frontline. When the cats are sick she takes them to Chatsworth vet clinic.
When we asked her about the cat that had infection she said there was no infection and owner was aware that the cat was FIV positive.
