General Report Comments: Upon arrival I met Nhlanhla who is the owner of the named Milo.

He is in a wheelchair and he was with his drunk brother. I shared a nature of complaint and he called the dog in a question. Nhlanhla has one dog on this property and the dog doesn't have any injuries. According to Nhlanhla he knows that the dog had a fight with a dog that belongs to Number 5 who is the neighbor. The gate was locked when the incident happened. Milo has sufficient space to roam around and doesn't appear to have any injuries. Milo has access to the garage at all times as form of shelter and water.

I then went to Jacqueline who lives at no 5. They granted me access to enter the property. Two dogs are kept in this property and a German Shephard was a bit swollen over the nose and i question if the dog has been taken to the veterinarian. She told me that it has been booked to see at veterinarian at 16h00. I then contacted the St. Johns veterinarian for confirmation and they confirmed.

There is no contravention of the Animals Protection Act 71 of 1962. There is no further action that can be taken in terms of this act. I strongly believe the case be closed.
