General Report Comments: Upon arrival i hooted. The dog in question came to the gate and it appears to be in a good condition.

The dog in question is clinically alert and it is roaming freely. The living environment is clean and hygienic. Where the dog had fly strike it is healing the wounds are dry as a sign that medication is effective.

I strongly believe the case can be closed as there is no further action that can be in terms of the Animals Protection Act 71 of 1962. Case closed until further notice
