General Report Comments: Upon arrival i met the complaint who told me where to find the guy who is selling the puppies.

On arrival i met Nkanyezi who had the puppies in the bucket. It was a hot day and the puppies were penting i then questioned what is the reason for keeping the puppies in the bucket. He tried to be smart and i told him that i will get him arrested if he doesn't sign the puppies over as they are confined in a manner that causes suffering.

Puppies were signed over.
