Elida admitted that the dogs bitten someone but she said the children are provoking the dogs.
She gave me her mom cell number ,when I called her mom about dogs vaccinations,she said they are not vaccinated.
Warning #6273 was issued ,to controll her dogs,surrender them to spca if she cannot controll.Thunder needed treatment.
On the 18 December I returned to the property there was noone in there property Thunder was much better when I called the owner she said she bought ointment from the chemistry.i also advised her to sterilize the dogs or hand over the puppies to us.
On 23 January I called to find out if she managed to get the dogs vaccinated.she said no she said she wanted to surrender the 2 dogs to us.she kept one dog.
