General Report Comments: I received a call from the respondent and he claimed he is attending a class in the morning.

I then contacted the complainant and she claimed she is looking at the owner of the property. She claimed the owner is hiding the monkey.

I got to the property and met the owner. He introduced himself as Ntokozo and i shared a nature of complain. He claimed that he doesnt have a monkey at his property. I observed 3 dogs that appears to be good in a good condition. The dogs has access to shelter and the living environment is clean.

We walked around the property and i saw where the monkey was kept. We then went to the front yard. I questioned Ntokozo where is the monkey. He lied with a straight face and i made it clear that i know there is a monkey. I further stated that after you called me you decided to hide the monkey. I want the monkey or ill call Ezemvelo so he will be arrested.

He ended up opening a shack where the monkey is kept. He moved closer with a cage. He then requested i must leave the cage behind and i made it clear that im taking the cage with me and it non negotiable.

I issued a warning

The monkey was confined under your custody without a permit and it is illegal. If the incident should happen again. Further actions may be taken against you
